Summary of Legislation

The bill requires a dental provider to give affirmative consent before an insurance carrier can allow a third party to access the provider's services and contractually agreed upon discounts and specifies the required contract terms. An insurance carrier cannot terminate a contract with a dental provider who refuses access to their services and discounts to a third party.

The bill does not apply to provider network contracts for dental services provided under the Children's Basic Health Plan Act and the Colorado Medical Assistance Act.

State Expenditures

This bill is expected to increase the workload in the Division of Insurance in the Department of Regulatory Agencies to address complaints from providers against insurance carriers that do not comply with the bill. This work can be accomplished with existing appropriations.

Effective Date

The bill was signed into law by the Governor on April 13, 2026, and takes effect on August 12, 2026, assuming no referendum petition is filed.
