Where we go one, we go all!" A nation will be judged by how it treats its children!</p> <p>You will be judged by what you have already done to us, and what you intend to do.</p> <p>The majority of our law enforcement serves and protects us with their lives. They work for our security. Our law enforcement have complied and accommodated the methods of transparency, including cameras, and all other outreach expectations.</p> <p>The increased chaos and confusion perpetrated upon our nation over the last 5 years has put most of our law enforcement in much more danger.</p> <p>It is right for this assembly, this resolution to recognize the sacrifices of our law enforcement officers, and further, to respect their challenges by showing appreciation. I would add that recognition needs to show that the assembly and this state will not impede their work of protecting us in our communities and allow them to connect with state and federal authorities as is already decreed to protect our nation from foreign and domestic enemies.</p> <p>Millions of undocumented, (aka illegal) individuals entered the borders of our nation over the last 5 years. These individuals are in this nation, and did not come here to play Monopoly: Oh wait maybe they did! They came to take, seize, and replace us. Our law enforcement, (the majority!!!) and our military are all that stands in harms way! The men and women of the different forces joined to serve and risk their lives.</p>

	<p>This is a small price to pay to give some recognition!</p> <p>Thanks for this!</p>
